

KIPFREE SHAMPOO

REFRESHING ANIMAL CARE SHAMPOO

A clear refreshing green shampoo designed to be a good cleansing agent for your furry friend. It helps in removing sweat and dust that usually causes infections and infestations. It leaves the coat clean, soft, and smelling fresh. This shampoo will improve the sanitation and hygiene levels in your animal and thus reduce stress and irritation.

INGREDIENTS :

Water, Sodium laureth sulphate, Cocamidopropyl betaine, Sodium cocoyl glycinate, Sodium chloride, Coco monoethanolamide, Lauryl amine oxide, Propylene glycol, Methyl chloroisothiazolinone / methyl isothiazolinone, perfume, mint oil, Citric acid, FD & C Yellow #3, FD & C Blue #1.

INDICATION :

Recommended for use on the animal coat to clean it from sweat and dust for a healthy and glossy coat.

DIRECTION FOR USE :

Apply appropriate quantity of the shampoo on your animal's wet coat. Lather your animal thoroughly from head to tail paying special attention to irritated areas. Keep out of eyes. Leave for 2 minutes before rinsing to get the full refreshing effect of mint oil. For external use only. Do not apply on broken skin.

PACK SIZE :

1 Litre, 5 Litre and 25 Litre.

Miscellaneous - Topical Use
